

What We Most Value

1. Our beautiful location near to the lake, beach and bushland

3. Our friendly community

2. Our close proximity to local services and shops

Belmont is rich in natural, built and community assets. By focusing on what we have and connecting these resources, we can achieve more together than is possible alone.

Belmont Sustainable Neighbourhood Group

Help us make Belmont a more sustainable and vibrant place to live.

You can join our email list, get involved in one of the many exciting project ideas, or be part of the coordinating committee - it's up to you.

The group meets monthly to plan and work on our projects, and to review our progress. The group warmly invites new people to share their ideas, skills, and to help implement local projects over the coming years.

Our priority community projects

Connecting Our Community

"Retain the neighbourly feel of Belmont and encourage more social opportunities for the community, particularly our youth"

- Lobby for more police in Belmont
- Support more family friendly events and activities for young people to enjoy
- Support the Belmont library community group and the widespread use of this facility
- Encourage student participation in local sustainability projects

Keeping Belmont Beautiful

"Keep Belmont clean and graffiti free, and encourage pride in our area"

- Hold clean up events to reduce litter and illegal dumping
- Lobby for more bins and free doggy bags along the foreshore area

Safe and Sustainable Transport

"Create safer and more sustainable transport options in Belmont"

- Improve pedestrian and bike safety in Belmont, particularly around schools, by identifying and addressing problem areas
- Map out local cycle routes through Belmont to move locals and visitors safely to key points of interest

Our Environment

"Look after our beautiful natural environment and conserve our resources by living sustainably"

- Lobby Council to enhance the foreshore area to encourage increased community use
- Reduce illegal dumping along Ocean Park Road, Belmont South
