

Sustainable Neighbourhood Action Plan

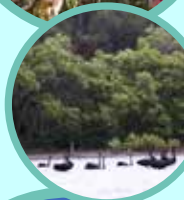

Developed by residents and friends of Teralba, Booragul, Marmong Point, Woodrising, Bolton Point, Fennell Bay, Fassifern and Blackalls Park.

Our vision

A connected, resilient neighbourhood actively protecting and enhancing our natural environment and cultural life

We value

- Our proximity to the lake and bushland
- The beauty and resilience of our natural environment and local wildlife
- Our peaceful and safe streetscapes
- Our local services, shops, train stations, transport connections, schools, and connection to the wider Newcastle region
- Our proximity to parks, playgrounds, walking and cycle paths
- The wellbeing of our neighbours, community, friends and family
- Respect and inclusion throughout our community
- Our environmental and social connectivity with Awabakal country
- Engagement and support for our local schools

Objectives

Our community is vibrant and resilient

1. Create opportunities to celebrate, socialise, and share with our neighbours
2. Encourage and assist our community to be prepared for emergencies and natural disasters
3. Actively encourage participation from our diverse community, and advocate for inclusion in all aspects of community life
4. Participate in graffiti management programs
5. Advocate for improved recreation facilities, community services, and local streetscapes

We protect and care for our natural environment

6. Increase community appreciation and understanding of our local biodiversity and ecology
7. Support Landcare projects, and improve our local landscapes for wildlife and people
8. Prevent and clean up litter, and encourage our community to report illegal dumping
9. Advocate for improved air quality and improved management of the natural environment

We live sustainably

10. Create sustainable living education and skill-sharing opportunities
11. Encourage local food production and community gardening
12. Encourage and enable our community to reduce waste
13. Advocate for improved pathway connections and public transport services

Get involved

- Be part of something positive
- Participate in our projects and activities
- Share your ideas
- Hear about what's happening in your neighbourhood
